

## **United Soccer of Auburn (USA) Refund Policy**

Refunds will be only provided in the event a player/family moves from the area, if a player is injured and unable to play, if a player cannot be rostered on a USA team, or other extraordinary circumstances approved by the registrar or USA Board of Directors.

Refunds will also only be considered before rosters are approved by MAYS, and only before a season begins game play except in cases mentioned above. Prorated refunds may be issued at the registrar/Board discretion. The Board also reserves the right to provide a registration credit toward future registration in lieu of a cash refund. All refunds are subject to a \$10 administrative fee.
