Speed Training & Development

Earlier this month, we were able to provide free speed training to 21 girls in our travel program. The girls were able to work on conditioning as well as proper form for running, landing, pivoting etc. Thank you to coach Paul and Speed World for providing this free opportunity.

If you have any suggestions or opportunities that you would like to see us offer please let us know!

Coaches Corner

Ask us how you can sign up to coach!

We are in need of coaches, particularly in town. While there is work involved, did you know that for every season you coach, your child plays free? We provide all equipment and practice plans as needed and pay for coaches to go to training. Check out [opportunities here](#).

If you already signed up to coach, don't wait and get started on your [annual certifications here](#). These need to be done before you can be on the field with the players.
